Sarween printed corner markers

Matches 54-inch LCD | fullscreen 1920 x 1080 | 120px markers

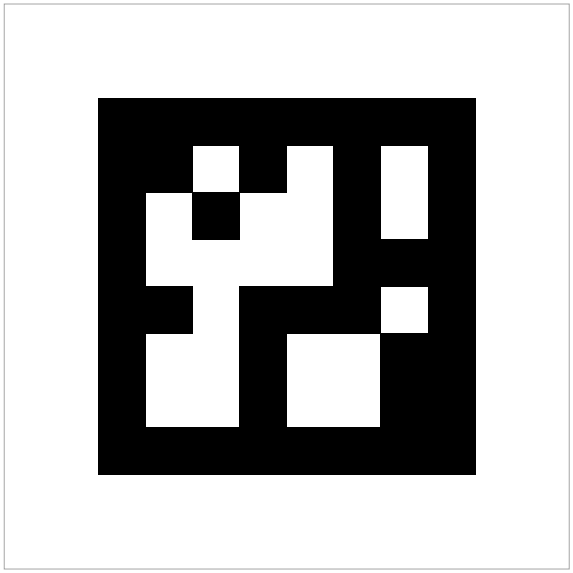
Paper card 74.72mm | black square 49.81mm | dictionary 6x6/250

Print A4 at 100% / Actual Size. Turn off Fit to Page. Check the ruler below.

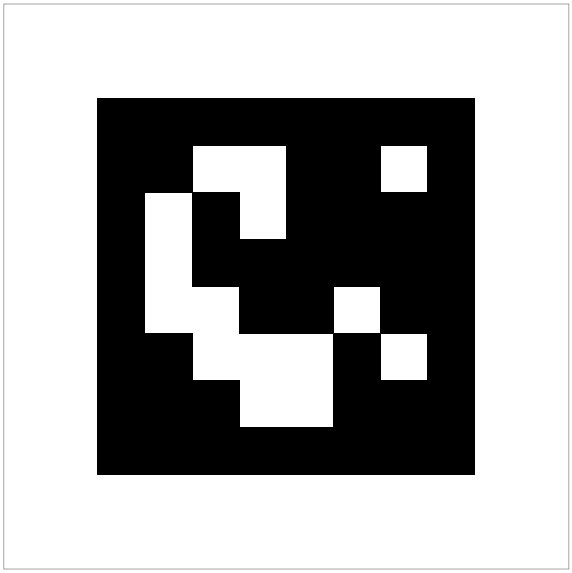
Use matte paper. Cut along the outline and keep the complete white border.

Place each card over its matching screen guide, facing the camera, then align in Sarween.

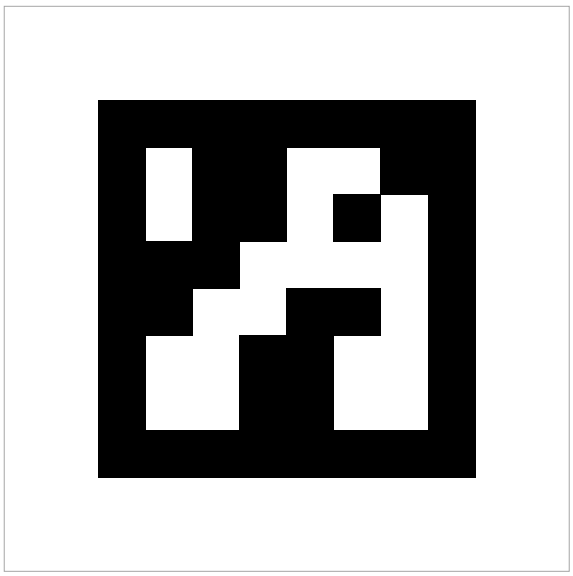
20 - TOP LEFT



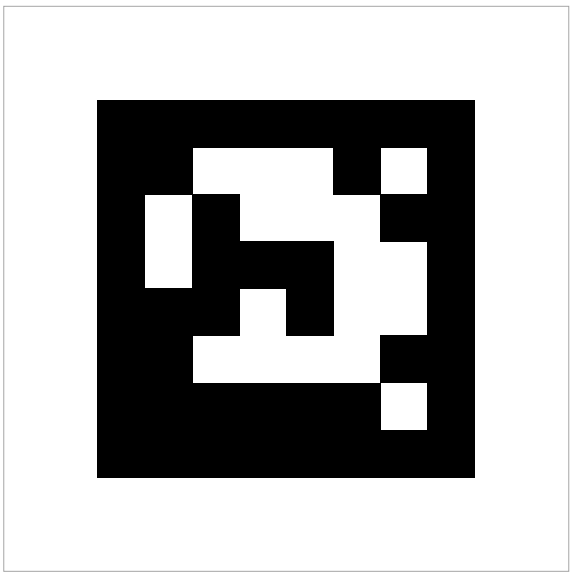
21 - TOP RIGHT



23 - BOTTOM LEFT



22 - BOTTOM RIGHT



This line must measure exactly 50mm after printing.

If the fullscreen viewport, display size or marker size changes, generate a new sheet.
